

Homestay Accommodation 2017

- Homestay**
Living with local people is a great way to practise your English and experience the British way of life. Your welcoming hosts will provide you with a comfortable room, breakfast and evening meal every day, and all meals at weekends.
- Location**
Most homestay host families live within 5 kms of the school in residential areas around the city. Buses are frequent and journeys to school should take no more than 30 minutes.
- Your Homestay**
You may stay with a family with children, a single person, a retired couple, or a young couple. Many different types of people enjoy hosting foreign students in their home. Please inform us about any special requests well in advance and we will do our best to find the right family for you.
As soon as we have found the right homestay, and no later than a week before your course starts, we send you the address and a brief description of your homestay.
- Accommodation Fees**
You can choose a standard room or an en-suite room with your own bathroom. These come with breakfast & evening meals (Monday to Friday) and breakfast, lunch & evening meals (Saturday and Sunday). We can also usually arrange twin rooms and bed and breakfast options. Arrival is on Sunday and departure on Saturday.
