Homestay Accommodation

Homestay Accommodation
Living with a family is a good way to practise your English outside the classroom and experience the British way of life. Your host family will provide you with a comfortable room, breakfast and dinner.

Location
Most host families live in residential areas around the city with easy access to the school. It is very common in Edinburgh for people to travel between 20 to 40 minutes by bus to and from school or work.

Your Host Family
You may stay with a family with children, a single person, a retired couple or a young couple. Many different types of people enjoy hosting foreign students. To ensure that we find the best family for you, please inform us about any special requirements well in advance.
Once we find the right host family for you, we will send you the address and a brief description of the family no later then 1 week before your course starts.

Quality
The Accommodation Officer personally visits each host family to ensure that the highest standards are maintained and we keep in close contact with the family during your stay. The Accommodation Officer will make sure everything runs smoothly and is always available to speak to you.

Services
Your room is cleaned once a week and bedding and towels are also changed weekly. Your laundry can be done twice a week.

Internet
Internet is available at most of our host families. You can also purchase a wireless connection from any of the mobile telephone providers which will give you your own unlimited internet access. You can also use free Wi-Fi connection at the school.

Arrival
We can organise a taxi transfer from any of the major airports in the UK to your homestay accommodation. If you arrive at your host family independently, please inform us about your arrival time and your host family will greet you at home.
