# Welcome to Regent

Regent was one of the first groups of English language schools in the UK. It was established over 50 years ago in 1964 by a passionate, experienced teacher who wanted to found a proper school, with proper teachers and proper courses. Today Regent offers innovative courses in a choice of academically and culturally rich locations that create life changing opportunities for our students. Fundamentally, we understand that *knowing about* English is not enough – what is important is the ability to successfully *use* English in your life.

## Positive, inclusive, results focused

Our core values shine through our programmes. We aim for a learning environment which is:

### Positive

We believe that everyone can learn to use English effectively, and whatever your current ability we push you to be a more effective communicator. We have high expectations of you and believe you are able to achieve the goals you have, and more.

### Inclusive

By being part of our learning community you are surrounded by others with similar ambitions, which helps you to bring out your best. *Whole school* activities like morning plenaries, workshops and social events provide opportunities for you to connect meaningfully with staff and others in the school.

### Results focused

We know that a course with Regent can change your life – helping you to excel in your job, win a promotion or a place at university. We help you to think about your future in English, perhaps helping you to clarify or enrich your goals, and through regular assessments we keep you on track to achieve the results you want.

We look forward to meeting you on a Regent course.

## Regent Promise

When you study with us you get more than just lessons in a classroom. Our programmes can be life changing. Wherever you study, the Regent Promise is your mark of quality on our unique courses.

Each student has:

- a welcome and orientation on their first day
- an individual assessment of language ability and needs
- regular coaching sessions with a personal tutor
- the chance to take an exam
- video feedback on their spoken performance
- a group project to develop international team working skills
- use of multi-media and study resources on all courses
- an activity and excursion programme
- counselling for future work or academic life

## Supported learning with Regent

### Your progress matters to us

We are passionate about your learning experience and work hard to ensure that you leave us with significantly developed skills, confidence and performance in English.

You can expect to make good progress every week. We have a strong *supported learning* framework to help you learn effectively. We have a unique academic programme, with a syllabus linked to the Common European Framework. As well as grammar, vocabulary and pronunciation, we work on your spoken performance with tasks focusing on body

language, voice quality and eye contact. We ask you to work in international teams to develop useful life skills and encourage you to take at least one exam. We set progress tests and structured homework tasks to provide clear support to your learning.

### Your teacher

We believe that our teachers are our greatest strength and are the main reason for the success of our students. Our teachers are passionate about teaching and helping you to develop.

Whatever your level, we push you towards taking an external English language qualification to reflect your achievement and validate your progress.

## Learning outside the classroom

Learning does not only happen in our lessons but continues outside the classroom. Throughout your time with us we want to help you practise your English skills – in the school lounge, in your homestay and out at social events. That is why we make the school a welcoming and inclusive place where you can easily make friends and build your confidence in another language.

## Social activities and events

The social and cultural programme is designed to help you make new friends and discover modern local culture.

Often accompanied by your teachers or other school staff, this is the perfect way to have a great time with your friends, use your English and experience authentic local culture.

At least three events are offered each week. The programme includes activities such as a barbecue, film night, quiz night, trip to a local pub or sports activity.

Approximate costs are available at:  
[www.regent.org.uk/learn-English/leisure](http://www.regent.org.uk/learn-English/leisure).

## Weekend excursions

Typical excursions include: London's West End, Stonehenge, Loch Ness, Leeds Castle, Oxford, Cambridge and overseas trips to many cities in Europe.

## Choice of accommodation

We know how important your accommodation is, and so we offer a wide choice.

### Homestay

Many students choose homestay – living with local people in their own home. Living with a family gives you the opportunity to practise what you have learned in your lessons and provides an authentic cultural experience.

### Self-catering or residential accommodation

This option gives you more independence and allows you to experience life in a student university style residence.

### Hotels and apartments

Alternatively, we offer a range of hand-picked hotels and apartments. Please contact us for more information.

## Students aged 16 and 17

The minimum age to study at a Regent school is 16. Students and the parents/guardians of students aged 16 and 17 should understand that they will mix with adults in both lessons and in school social events. Regent Language Training offers appropriate levels of pastoral care and welfare support for students aged 16 and 17 though supervision outside the school day is limited. Parents or guardians who feel more support is required should consider our Regent Summer Schools or home tuition programmes (see back cover for details).

Please refer to our guidelines on under 18s at [www.regent.org.uk/policies](http://www.regent.org.uk/policies).

## English World Courses

- Improve your knowledge, skills and confidence in using English
- Clarify and enrich your goals through personal coaching
- Develop the skills required to use English internationally
- Learn in a maximum group size of 12

English World courses are designed to have an impact on your present and future life in an international environment. Our unique programme has five complementary elements that give you the tools you need to operate confidently and successfully when using English as an international language.

The Skills Training develops your speaking, listening, writing and study skills in English in real life contexts.

The Accuracy in Grammar session perfects core grammar skills and works on the eradication of common errors.

The Knowledge for a Global Community class is at the centre of the course. Through individual and team-based research, you will work on a broad range of historical, economic, sociological, artistic and cultural topics designed to equip you with the knowledge to function more effectively in the global community. You will present your findings in a range of debates, presentations, and pair and group work activities.

In the Language Focus session, vocabulary and reading/writing skills are brought to life by active practice in authentic contexts.

In the Confident Spoken Performance session you develop your confidence and skills in a range of speaking situations through mini role-plays, presentations and public speaking activities. With a focus on rapport building, voice quality, body language, posture and eye contact, the aim is for confident performance in a second language.

### Personal Coaching

Every student receives a 15 minute coaching session each week, in which goals are set or reappraised, and progress and course work reviewed. On longer courses we stretch learners by setting additional tasks on which the personal tutor provides feedback.

To secure a place on a Regent course, please return the Enrolment Form together with payment of a non-refundable deposit or book online at [www.regent.org.uk](http://www.regent.org.uk).

## Payment of fees

On receipt of the application and deposit a letter of confirmation is sent with a Statement of Fees which should be settled at least 4 weeks before the course starting date. In the case of registration less than 6 weeks before the course starting date, the full amount of the cost of the course must be sent with the Registration Form. PLEASE NOTE: students will not be allowed to start their course unless FULL PAYMENT has been received by the School. All bank charges must be paid by the student. PLEASE NOTE: if you require a visa the school will provide the visa letter or Certificate of Acceptance of Studies (CAS) only when full payment has been received by the school. All bank charges must be paid by the student. In the event of an unsuccessful application all fees will be returned in full, less the cost of the CAS.

## Accommodation address

Students who have requested the School to book host family accommodation on behalf of the student will receive details of their host family address at least 5 days before the course starting date, unless they enrol late. This enables those students travelling independently to let the host family know of their approximate time of arrival.

## Conditions for cancelling or changing a course by the Student

- If the School receives the cancellation before the course starting date, the School will retain the deposit.
- After the course has started, a student must give 10 days' written notice to the Principal of changes to or cancellation of a course. A cancellation fee equivalent to 1 week's course fees will be charged. Refunds cannot be made for non-attendance, absence due to illness or any other cause.
- If a student wishes to be absent from the course for 1 or 2 weeks for the purposes of taking a holiday he/she must give the Principal at least 2 weeks' notice in writing.
- Students who choose to exchange their original choice of course for one of greater value must pay the difference between the two at the time of requesting the upgrade.
- Any refund due when a course is changed or cancelled, or a holiday taken, will be paid to the person who paid for the student's course at his/her home address at the end of the course. 'End of the course' here is defined as the last date of the course specified on the booking form (i.e. if a student books a 12 week course and decides to leave after 4 weeks he/she will not be refunded until 12 weeks after the start of the course).
- If a student is denied a student visa or a study permit and provides the School with a copy of the rejection letter on or before the first day of classes, the School will refund the course fee.

## Change or Cancellation of a course by the School

Sometimes it is agreed between the School and a student that it would be beneficial for the student to be moved to another School course. When this happens only a course of at least equivalent cost will be offered by the School.

The School reserves the right to cancel a course, or make changes to course arrangements, without liability, if forced to do so for reasons beyond its control. If this happened, the School would seek to offer alternative arrangements, dates or venues.

If the School cancelled a course booked and paid for by a student in accordance with these terms other than for reasons beyond its control, and did not offer an alternative acceptable to the student, the School would pay compensation as follows:

- Where the cancellation is before the start of the course, compensation equal to the deposit paid by the student or
- Where the cancellation is after the start of the course, compensation equal to one week's fees.

## Liability and Insurance

Students should make sure that they organise their own travel insurance to cover medical costs and repatriation costs in the case of an illness or accident.

The School acts only as an intermediary between its students and travel organisations and between students and host families. Unless and to the extent caused by the School's negligence, the School cannot be held responsible for any delay or accident during a journey nor for any incident which may happen during the student's stay with the host family. The School will, however, endeavour to defend the student's interests in the event of breach of contract on the part of the travel organisation or the host family.

The School reserves the right not to allow on the course a student suffering from any illness, medical condition, or mental or physical disability which has not been disclosed on the Registration Form.

This brochure, issued by the School, gives the only terms and information that can be referred to in the event of a disagreement between the student and the School. These terms and conditions are governed by English law and do not affect your statutory rights under English law.
