

## **Home Tuition - Course Packages**

There are three separate course packages available with Regent – The Home Tuition course; Home Tuition with Extra Activities Package; Home Tuition with A Great British Experience.

### **1. The Home Tuition course**

#### Lessons

With Home Tuition your course is designed around your needs so that you can achieve specific goals, living with your teacher. Let us know your course requirements – we offer courses such as:

Home Tuition for confidence and fluency  
Home Tuition for IELTS and University Entry  
Home Tuition for Boarding School Entry  
Home Tuition for Baccaalaureat/Arbitur/Maturita  
Home Tuition for Business Professionals

Choose from 15, 20 or 25 lessons a week, and you can study 1:1 or bring a friend of the same level to study 2:1. Let us know if you have a preference over location – our teachers are located within 1 hour travelling time of our schools in Bournemouth, Brighton, Bristol, Cambridge, Edinburgh, London or Oxford.

#### A suitable teacher to match your interests

We have teachers who are interested in the arts, music, science, sports, technology, business, cooking, gardening and many other interests. Let us know your interests and requirements and we will propose a suitable homestay teacher for you.

#### Socialising with the homestay teacher and their family

There are at least three routine activities or local visits included in every Regent Home Tuition course per week in which you socialise with the teacher and/or their family. These activities are the routine activities that the teacher normally does.

They may include some of the following examples:

- Exploring the local area
- Walking the dog
- Going to the local shops / supermarket
- Watching a film at home
- Cooking / baking
- Visiting friends of the teacher/family/household.

These activities provide a break from the study programme, and do not incur any extra cost. They provide an excellent opportunity to practise conversational English whilst absorbing English culture within the home and local area of your teacher. They take place over three separate afternoons spread throughout the week, or at the weekends.

## **2. Extra Activities Package**

For an additional cost of £250 per week, you can choose to add one full day and one half day activity (or three half day activities) to your Home Tuition course. Costs of tickets and transport for you and the teacher are included. The Extra Activities Package is in addition to the normal routine activities that you take part in on any homestay course.

Let us know what you are interested in and we will suggest an itinerary. Alternatively, we can plan an extra activities package based on what we know have been popular with our students in the past.

Some examples of Extra Activities are:

- Visit a wildlife park / zoo
- Watching sports, such as a local / national football match
- A full or half shopping trip to a large nearby city
- A trip to the cinema or theatre eg Les Miserables, Cats
- Horse riding
- Travelling to a large nearby city to visit a museum or art gallery – eg Wimbledon Museum, National Gallery, British Museum, Madame Tussauds
- Taking a tour in an area of cultural / historical significance
- Swimming at a local pool / leisure centre
- Afternoon tea
- Trampolining
- Playing sports (such as tennis, golf, football, basketball etc...)

The Extra Activities that are available may vary depending on the location that you choose. This list provides examples of activities provided in the past; however we accommodate reasonable requests that are appropriate to the location and the amount of leisure time in your course of study.

These activities may take place over three afternoons, or alternatively be made up of one full day and one afternoon. A full day activity typically takes place over the weekend.

### 3. Great British Experience

We can add tickets to your package for a very special event for you and the teacher. You can watch Premier League football (i.e. Manchester United, Arsenal, Chelsea, Tottenham, Manchester City), attend the Wimbledon Tennis championship, or go to Formula One British Grand Prix. If you like horse-racing attend the famous Ascot Races, or the very British rowing event The Henley Regatta. There are many possibilities but tickets are limited and can be very expensive.
