

Courses for aviation professionals

Our range of Aviation English courses is designed to enable professionals within the aviation industry to achieve the level of English their work requires. Our Aviation English programmes are trusted by airlines and aviation training schools and provide the necessary English and communication skills pilots, air traffic controllers, ground staff and cabin crew need to meet international standards and excel in their jobs.

ICAO level 4

This closed group programme is run on demand at Regent London, Regent Cambridge, Regent Oxford and Regent Edinburgh and is designed specifically for personnel who require ICAO Level 4 (Operational). We develop vocabulary, comprehension and communication skills within aviation related scenarios. This course is suitable for pilots and air traffic control staff, is tailor made to your exact requirements and runs for 25 hours per week. We accept groups of 6 or 12 participants depending on your training requirements.

Language Improvement for Aviation Professionals

This small group programme is offered at Regent London, Regent Cambridge and Regent Oxford. The course consists of 20 or 25 hours study per week, including 5 individual sessions a week to help you focus on your own set of specific needs. Morning lessons with no more than 5 other participants focus on grammar, vocabulary, pronunciation, spoken communications skills, including clarity of speech. Through a combination of seminar style presentations, practical assignments and interactive tasks you develop your skills and confidence.

Aviation English Home Tuition

Regent Home Tuition offers 1:1 tuition in aviation English for all levels and purposes including ICAO level 4. Home Tuition is a unique programme combining intensive language training and living in the home of your personal tutor. It is a highly intensive total immersion course in which your language skills develop quickly and naturally. In one-to-one lessons you learn the essential skills, knowledge and language that you need. We design the course to suit aviation personnel from ground staff to pilots. We place participants with trainers with experience and expertise in aviation and related fields.

Methodology and Language Improvement for English Teachers 2018

This course is designed for non-native secondary school teachers of English: it explores current - and exciting! - English language teaching (ELT) ideas and methodology. It also revisits practical ideas that may have fallen from fashion; the role of British Culture in the classroom and how to get the most from observations – both peer and top down. Our teacher trainers are highly experienced – they are all DELTA qualified and have been teaching for an average of 10 years each.

Course Content

Teaching Methodology (09:00 – 12:30)

The group will explore practical and stimulating ways to make learning effective in the classroom.

Cutting Edge Ideas (13:30 – 14:30) *

Course participants discuss 'dogme', 'the reflective teacher', how to maximise students' motivation, how students learn (metacognition), encouraging critical thinking and the teacher's role: coach, facilitator, mentor.

Performing and Observing (14:45 – 15:45) *

Using role-plays, discussions and presentations we'll focus on confidence and fluency in spoken English, as well as performance skills: body language, eye contact, voice projection and control – performance that can be replicated in the class room. Course participants also work on positive observation techniques, feedback strategies and using students' evaluations to work on a co-operative learning environment.

* Course participants can attend language input classes instead of pedagogy.
