## Your journey to international eloquence

### Regent Oxford - a school for the ambitious

2018 marks a momentous occasion - Regent Oxford's 65th anniversary of delivering transformational English courses to students from across the world. As the oldest language school in Oxford, you can trust us to deliver exceptional courses focused on your future life.

We understand that you have unique needs. Our versatile course design allows us to be flexible, and deliver a course that's right for you. It is ideal for those looking to increase their influence, eloquence or develop their knowledge in a particular industry or sector including law, business, management, pharmaceuticals, medicine, finance, technology, teaching and many more.

### English for your international future

Our clients choose Regent Oxford because they are busy professionals looking to increase their professional skills and global influence. Our programme has a maximum of 6 participants in morning classes, giving you more exposure to your tutor. We combine this with 1:1 sessions in the afternoon focused on your needs, helping you make meaningful progress.

Our goal is to help you attain influence and eloquence in English leading to success in the global arena. Through our rigorous combination of small group classes, Individual Tuition and personal coaching we develop your knowledge, confidence and sophistication, fully preparing you for your future life in English.

### A course designed around you

Regent Oxford is a community focused on academic excellence, for which we are internationally recognised. As the oldest school in the city we have many years of experience in delivering transformational courses to business professionals, executives and ambitious clients alike. # Regent Oxford 1953 - 2018

An international community with an ethos of achievement for over 65 years

## A city steeped in history and sophistication

Oxford is world famous for its university, and it has a huge amount to offer its visitors. There are lots of cultural events, a lively social scene, beautiful buildings and a variety of international restaurants. The city is steeped in history and the air of academic excellence is reflected in the school's culture.

Our varied programme of cultural and academic activities allows you to use your English extensively outside the classroom and engage meaningfully with topics of educational and international significance. Our varied cultural programme activities include concerts at the prestigious Sheldonian Theatre, TedX events, politics lectures, poetry talks, book reading and signings and architectural tours.

The school is situated in an impressive Victorian building surrounded by a picturesque, typically English garden very near to the centre of Oxford. Students use our library and resource room, student lounge, conservatory and computer centre with free internet access and wireless
