Living with a host is a great way to practise English outside of the classroom and to experience the British way of life.

The Homestay Provider

Students may stay with a family with children, a single person, a retired couple or a young couple. Many different types of people enjoy hosting foreign students.

Students aged under 16 will usually be placed in a shared room with another student of a different nationality but of a similar age and the same gender. Student aged 16-17 may have a single or a shared room and all students over 18 will be in single rooms. Breakfast, lunch and dinner is provided to students under 16 and breakfast and dinner for those over 16.

Once we find the right homestay provider for your client, we send you the address and a brief description of them no later than 1 week before the course starts.

Quality

Our Accommodation Officer personally visits each homestay provider to ensure that the highest standards are maintained, and keeps in close contact with them during each student's stay. They make sure everything runs smoothly and is always available to speak to. All homestay providers are DBS checked to an enhanced level.

Location

Our welcoming homestay providers live in residential areas within 30 minutes of the school.

Students are always encouraged to join in family life during meals and free time. Hosts provide students with a comfortable room, breakfast, a cold packed lunch and dinner every day, including weekends.
