School and facilities

An international community with an ethos of achievement

Why Regent Oxford?

Experience a city rich in history

Oxford is world famous for its university, and it has a huge amount to offer its visitors. There are lots of cultural events, a lively social scene, beautiful buildings and a variety of international restaurants. The city is steeped in history and the air of academic excellence is reflected in our school's culture. Students often comment that the unique atmosphere of the school is both professional and personal.

Sophisticated school facilities

The school is situated in an impressive Victorian building surrounded by a picturesque, typically English garden very near to the centre of Oxford. Students use our library and resource room, student lounge, conservatory and computer centre with free internet access and wireless. We are open on Sundays and offer an exciting cultural programme with plenty of cultural events as well as weekend excursions.

A unique learning experience

Regent Oxford is a centre of academic excellence for which we have been renowned locally and internationally since we were established in 1953. Our goal is to provide you with a learning experience that will have an immediate impact and a lasting effect on your life. Ours is an authentic international community of serious, ambitious and motivated learners and we encourage you to think and behave in English within the school and beyond.

All my teachers were brilliant, very dedicated and supportive. They also took into consideration things I was interested in and gave me advice on further work. I really enjoyed my lessons and I strongly recommend Regent School! Everyone here was really friendly and supportive. I enjoyed my classes and met wonderful people.
