Cambridge Exam Preparation

Preparing for a Cambridge certificate helps you to master the skills you need to use English in the real world. The exams are based on real life situations where you would need to use your English skills and it covers listening, speaking, reading and writing, giving accurate proof of your language skills. We offer group courses to prepare for the **B2 First** (formerly FCE) exam and **C1 Advanced** (formerly CAE) as well as individual tuition for the **C2 Proficiency** (formerly CPE).

Master the skills you need for the real world

Preparing for an exam is about more than practice papers. The Cambridge exams are designed to test your English in real world situations, so we use a wide range of situations to push you to improve your skills.

Combine 25 hours of group tuition (maximum 12 students per class) with 5 hours of individual lessons on our B2 Combination and C1 Combination courses for a truly intensive option which is perfect for shorter courses.

If you are not sure which exam course is best for you, get in touch with our team and we will be happy to advise you.

Because the C2 Proficiency exam is very demanding, we recommend 15 or 20 hours per week of individual tuition.
