

### IELTS EXAM PREPARATION PROGRAMME

#### IELTS EXAM PREPARATION PROGRAMME

**IELTS** is the **International English Language Testing System**, designed for students who are looking to assess their English language ability for higher education, immigration, and employment (both in the UK and overseas). Results from IELTS exams are recognised by universities, colleges and professional bodies in the UK, USA, Australia, New Zealand and throughout the world.

IELTS gives you an exam report that shows an overall score for your level of English ability from **1 (non-user)** to **9 (expert user)**. The exam is made up of four parts – **Listening, Reading, Writing and Speaking**.

Our **IELTS Exam Preparation Programme** consists of five complementary sessions which combine core language skills with specific exam preparation and exam practice. The exam is held in a test centre in Oxford and it's also possible to arrange the exam in another city.
