Literature Analysis – Students will study extracts of classic and modern texts. Sessions will include an analysis of stylistic traits, the language of literary commentary and critique and discussions on the social context.

Writing Workshop - This is a creative and interactive session in which the student will put into practice the themes and techniques already analysed. Students will look in depth into poetry, genre and literary strategies, cast a critical eye over the different authors and publishers and consolidate what they have learnt by doing it all themselves.

Arts and Culture - This will include a critical look at art and photography, a critique of modern cinema and television and whether these are defined by, or define our culture. Theatre will also be examined, particularly London and the West End. Finally, a taste of British music as a culture carrier will be discussed; viewing the lyrics as modern poetry and how this compares with more traditional prose.

Cultural Programme - The cultural visits will complement the content of the course, enabling students to experience firsthand what they have been discussing. Activities will include a theatre trip, visits to the Ashmolean museum and Bodleian library, a trip to London and tours of historic Oxford and the colleges.

Plenary sessions begin each day with an inspirational message or insight into global culture. These are a great way to practise using English to influence others.

THE REGENT OXFORD FAMILY PROGRAMME

AN INTENSIVE COURSE FOR EVERY MEMBER OF YOUR FAMILY

We are dedicated to providing academic excellence for all of our students, regardless of age, and that is why our **Family Programmes for General English** study are so popular. Our aim is to provide you and your family with more than just English, but the life skills, cultural fluency and confidence you need to become influential global communicators, all while enjoying the vast cultural offerings of Oxford together.

THE BENEFITS OF OUR FAMILY PROGRAMME :

The programme can meet the needs of each family and its members, with various options to choose from. Students aged under 16 years old will study an intensive junior programme with a reputable Oxford summer school, whilst adult students enjoy the sophisticated programmes on offer at Regent Oxford.

- Course options tailored to each member of the family;
- Families start and finish school at compatible times and are able to enjoy their afternoons and evenings together;
- Regent provides excellent family accommodation, in carefully selected apartments close to the city centre and both schools;
- It's an intensive course for everybody, with 20 hours of lessons per week for adults and 15 hours of lessons for juniors, which means more practice time for everybody.

THE REGENT OXFORD PROGRAMME :

Choose between a general English programme, **English World** (max. 12 students per class), or a professional English programme, **ClasSIX** (max. 6 students per class). Each option can be taken in the mornings only, or with 5 hours of private tuition in the afternoons, finishing conveniently at 14.30 in time to collect juniors from school.

HOMESTAY ACCOMMODATION

HOMESTAY ACCOMMODATION

Living with a family is a good way to practise your English outside the classroom and experience the British way of life. Your host family will provide you with a comfortable room, breakfast and dinner every day and all meals at weekends.

Location

Most host families live in residential areas around the city with easy access to the school. It is very common in Oxford for people to travel between 20 to 40 minutes by bus to and from school or work.

Your Host family

You may stay with a family with children, a single person, a retired couple or a young couple. Many different types of people enjoy hosting foreign students. To ensure that we find the best family for you, please inform us about any special requirements in advance.

Once we find the right host family for you, we will send you the address and a brief description of the family at least one week before your course starts.

Quality

Our Accommodation Officer personally visits each host family to ensure that the highest standards are maintained and she keeps in close contact with the family during your stay. The Accommodation Team will make sure everything runs smoothly and they are always available to speak to you.

Services

Your room is cleaned once a week and bedding and towels are also changed weekly. Your laundry can be done once a week.

Internet

Internet is available at all of our host families. You can also use the free Wi-Fi connection at the school.

We can organise a taxi transfer from any of the major airports in the UK to your homestay accommodation. If you arrive at your host family independently, please inform us about your arrival time and your host family will greet you at home.
