The perfect place to achieve your goals

Designed to challenge and motivate

Regent Scanbrit in Bournemouth is a great place to develop your English language skills. Our school has a friendly, family atmosphere making it ideal for teenagers. Our courses are specifically designed to challenge and motivate learners to set and achieve demanding goals.

Great course for the whole family

The school is perfect for families. Teenagers can take an All English course while those over 16 study on a separate adult programme.

Superb location of school and accommodation

The school is in a superb location. It is just a four minute walk from a lovely sandy beach. Swimming, water sports and beach activities are all available in the summer, and it is a great place for outdoor sports like walking and mountain biking in other months. You stay with homestay hosts so close that you can walk to school in the morning and then go back for some lively social events in the evenings.

Positive, inclusive, results-focused

Regent was established over 50 years ago by a passionate, experienced teacher. In Bournemouth the Regent core values shine through our programmes: positive, inclusive and results focused.

Intensive. Dynamic. Action-packed.

All English – Senior

Our intensive, action-packed 21 hour All English course builds English language skills, helps develop teamworking and leadership and builds confidence in performing.

The day starts with "seize the day", a stimulating, energetic briefing with fast paced language activities. Language skills and structure lessons are followed by Interest Based Learning which nurtures academic success, encourages critical thinking and utilises the students' interests in life – Sport & Health, Music & Performing Arts, Science and Technology. After a packed lunch students create a performance project culminating in a presentation, film, drama or debate before having afternoon sports and activities.

Before heading to the homestay for dinner students have an opportunity to demonstrate their leadership skills with the "team-lead" session – different daily challenges that need communication and interaction to overcome.

All English – Exam

We offer preparation for the Cambridge B2 First and C1 Advanced exams. Students can take the exam on site during the course. The programme includes 11 hours of Exam Preparation and 10 hours of Language Structure and Skills. Afternoon sports and activities follow the learning programme.

Maximise your spoken English outside lessons

Lively Excursions. Walkable Homestays.

The Homestay Experience

Staying with a local homestay host allows students to learn more about everyday life in the UK and gives them a unique opportunity to speak English in real-life situations. Mealtimes encourage students to interact with their hosts and help them feel more comfortable using English in every day life.

All our homestay hosts live within a 30 minute walk from school and students are placed in twin or triple rooms sharing with a room-mate of another nationality. Sharing a room helps students create friendships outside of school and offers more chances to speak English.

At least 3 nights a week students come back to school for an evening event. This is the perfect opportunity to use the English learnt in a social setting. Popular events include the beach olympics, discos and music/drama shows. Walking back home with your room-mate leads to natural conversation in English.

Full day and half day excursions

Each week on both the All English courses we take students on a half day excursion to a local place of interest, and a full day Saturday excursion to great cities like Winchester, Oxford, Bath and London. We help them to get the most from their trip by preparing them in advance with observation tasks or lively photo challenges.

Family Course

On our parent and child courses families can choose to live together and spend their free time together while studying in classes appropriate for their age. The English World course is available just in the mornings (08.45-12.30) or for the full day and starts every Monday. Families can choose to share a homestay, apartment or a local guest house or they can have separate homestay accommodation but spend their free time together.
