We are dedicated to providing **academic excellence** for all our students and that is why we are pleased to offer our **English World Programmes Online** for **General English** and **academic preparation**.

THE BENEFITS OF ENGLISH WORLD ONLINE COURSES:

Our aim is to provide you with more than just English, but the life skills, cultural fluency and confidence you need to become an **influential global communicator** and now also the **21st Century Skills** of Creativity, Critical Thinking, Collaboration and Communication through the cutting edge use of digital tools to prepare you for the future.

KEY FEATURES:

- Personalised, bespoke tuition tailored precisely to your needs.
- Full online support including weekly coaching, advice for studying independently, extra language exercises and authentic listening and reading practice.
- An online discussion portal to develop your online interpersonal skills with teachers and other students.
- Development of your digital literacy as well as your English, with real practice of using digital tools and breaking through the barrier of the screen to communicate effectively and impressively.

BESPOKE ONLINE TUITION OPTIONS

Tailor your tuition to meet your specific needs. Choose the focus of your lessons from the following academically crafted sessions, or leave your teachers to adjust the content to match your unique profile:

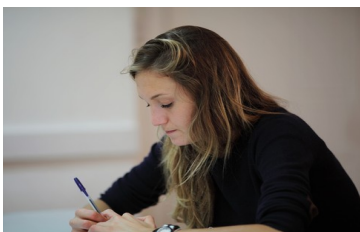

Skills Training: This session develops your autonomous learning skills in areas such as pronunciation, speaking, writing, vocabulary and business English.

Accuracy in Grammar: This session will give you more accuracy when communicating in English, simultaneously enhancing your fluency and confidence.

Knowledge for a Global Community: Created to improve your cultural fluency, you will be able to develop your language competence and effective communication within the global community through real world, thought-provoking topics.

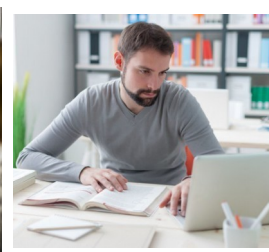

Language Focus: This session will help you develop your techniques in reading, listening and writing with a focus on exams such as IELTS and Cambridge exams if needed.

Spoken Performance Workshop: This workshop encourages your fluency in a range of speaking situations through role-plays with the teacher and video performance tasks that your teacher will coach you through and give you formative feedback on in order to ensure you can communicate eloquently and convincingly.
